Title 12—DEPARTMENT OF REVENUE

Division 50—Missouri Horse Racing Commission Chapter 40—Permit Holders

12 CSR 50-40.010 General Requirements

PURPOSE: This rule requires permit holders to accept, observe and enforce the rules of the commission.

(1) Every permit is granted upon the condition that the permit holder shall accept, observe and enforce the rules of the commission. It shall be the duty of each and every officer, director and every official and employee of the permit holder to observe and enforce the rules of the commission.

(2) The authority of the commission shall extend to those facilities on which horses, racing at the premises of licensed associations, are trained, boarded or cared for. This authority shall extend only to the facilities if they charge fees for the training, boarding or care, or if the horses are not the sole or partially owned property of the owner or operator of a training, boarding or care facility.

(A) The regulations of the commission as well as sections 313.500—313.710, RSMo (1986) shall apply to the facilities.

*Auth: section 313.540, RSMo (1986).
Emergency rule filed June 20, 1986,
effective June 30, 1986, expired Oct. 13,
1986. Original rule filed Oct. 3, 1986,
effective Jan. 12, 1987.*

12 CSR 50-40.020 Commission Offices

PURPOSE: This rule requires each association to furnish office space for the commission.

(1) Each association shall furnish reasonable office space on association grounds for the exclusive use of and at the disposal of the commission for all its representatives. The commission and its employees shall have free access to all areas of the grounds while on duty.

*Auth: section 313.540, RSMo (1986).
Emergency rule filed June 20, 1986,
effective June 30, 1986, expired Oct. 13,
1986. Original rule filed Oct. 3, 1986,
effective Jan. 12, 1987.*

12 CSR 50-40.030 Ejection

PURPOSE: This rule requires associations to honor ejection orders of the commission.

(1) Associations are obliged to honor commission ejections and exclusions and to immediately eject any person found on track premises who is under an ejection order by the commission.

(2) Whenever any association shall eject any person from the premises under this rule or otherwise, it shall report the ejection to the commission.

*Auth: section 313.540, RSMo (1986).
Emergency rule filed June 20, 1986,
effective June 30, 1986, expired Oct. 13,
1986. Original rule filed Oct. 3, 1986,
effective Jan. 12, 1987.*

12 CSR 50-40.035 Stands for Officials—Thoroughbred and Quarter Horse

PURPOSE: This rule sets forth the requirements for stands for officials at association tracks.

(1) Each association shall provide and maintain stands commanding an uninterrupted view of the entire racing strip for racing officials; the stands and their location shall be approved by the commission. Patrol judge stands shall be constructed so the floor shall be at least six feet (6') higher than the track rail.

*Auth: section 313.540, RSMo (1986).
Original rule filed Oct. 16, 1986, effective
Feb. 12, 1987.*

12 CSR 50-40.040 Racing Surfaces

PURPOSE: This rule sets forth the requirements for racing surfaces on association tracks.

(1) Each association shall attempt to provide—

(A) Training and racing surfaces whose construction, elevation and surfaces have received scientific approval as safe and humane.

1. Upon proof of economic hardship and a bona fide effort to comply, exemptions to this rule may be granted by the commission.

2. Application for exemptions shall be in writing.

3. Notice shall be given to all interested parties;

(B) Adequate and proper equipment to maintain training and racing surfaces;

(C) Sufficient trained personnel to properly operate equipment; and

(D) Daily records, open for inspection, of the condition of each training and racing surface.

*Auth: section 313.540, RSMo (1986).
Emergency rule filed June 20, 1986,
effective June 30, 1986, expired Oct. 13,
1986. Original rule filed Oct. 3, 1986,
effective Jan. 12, 1987.*

(B) Sleeping in feed rooms or stalls;

(C) Open fires or oil or gasoline burning lanterns or lamps in the stable area;

(D) Leaving electrical appliances unattended or in unsafe proximity to walls, beds or furnishings; and

(E) Keeping inflammable materials, including cleaning fluids or solvents, in the stable area.

Auth: section 313.540, RSMo (1986). Emergency rule filed June 20, 1986, effective June 30, 1986, expired Oct. 13, 1986. Original rule filed Oct. 3, 1986, effective Jan. 12, 1987.

12 CSR 50-40.190 Stable and Ground Security

PURPOSE: This rule sets forth the requirements that each association must follow concerning the stable and ground security.

(1) Each association shall secure the peaceful use of its grounds and stable areas to licensees and prohibit the use of the grounds to persons not authorized by license or invitation of the association.

(2) Stable Enclosure.

(A) The stable area shall be properly fenced as defined by the commission.

(B) Admission to the stables shall be permitted only in accord with rules of the commission.

(C) No person shall be admitted to the stable area except licensees whose duties require them to be in the area and who are wearing a photographic identity badge issued by the director of security and recorded in a permanent record maintained by the director of security.

(D) Temporary Pass Holders.

1. Issuance. A temporary written pass will be issued by the director of security or his/her designee for the stable area, for a maximum period of twenty-four (24) hours and a copy of the pass will be retained by the director of security and chief of track security.

2. Applicants. A temporary pass is available only to guests of the association, trainers, owners, veterinarians or other appropriately licensed individuals. Guests shall not include any person brought to the stable area for the purpose of working in any capacity requiring a commission license except for the individuals who deliver and accompany horses to association premises on nights and weekends when the commission offices for regular licensing are closed.

3. Privilege. A temporary pass to enter the stable area is not an occupational license and does not permit the holder to enter a horse in a race or in any other way participate in racing.

4. Content. A temporary pass must contain at least—

A. The bearer's name and employer;

B. The bearer's signature;

C. The date and time of issuance;

D. The date and time of expiration;

E. The reason for issuing the pass;

F. The signature of the chief of security or his/her designee; and

G. A pass number showing the sequence in which the pass was issued; and

H. The name of the individual to be visited.

(3) Twenty-four (24) Hours Security. The association through its own employees or persons retained by the association shall maintain twenty-four (24)-hour a day security service throughout the stable enclosure during the time horses occupy the grounds, employing such electronic, telephonic, television and human guard personnel as are required to adequately police the grounds. Upon request, the association shall furnish to the commission a list of personnel employed in security services, giving for each person his/her name, duties, duty station and areas supervised.

(4) Incident Report. The security department of each association shall submit to the judges a written report describing every arrest or completed incident of security investigation or rule violation including with each person mentioned as charged in the report, his/her name, the charges against him/her and his/her present whereabouts.

(5) Records Open. Each association shall maintain current records relating to security in permanent form available for commission inspection for a period of one (1) year from the completion of the record and shall provide at the commission's request the additional information related to track security as the commission may require.

Auth: section 313.540, RSMo (1986). Emergency rule filed June 20, 1986, effective June 30, 1986, expired Oct. 13, 1986. Original rule filed Oct. 3, 1986, effective Jan. 12, 1987. Amended: Filed Oct. 13, 1987, effective Jan. 14, 1988.

effective Jan. 12, 1987.*

12 CSR 50-40.240 Primary and Secondary Liability

PURPOSE: This rule makes Class A licensees primarily liable for certain facilities and equipment and to make associations secondarily liable for providing that same equipment.

(1) The Class A licensee shall be primarily liable to provide the facilities and equipment required by the following rules:

- (A) 12 CSR 50-40.040(1)(A) and (B);
- (B) 12 CSR 50-40.140;
- (C) 12 CSR 50-40.150;
- (D) 12 CSR 50-40.160(1), (3)(A) and (C), (5) and (6); and
- (E) 12 CSR 50-40.190(2)(A).

(2) Each association shall be secondarily liable to provide the facilities and equipment enumerated in section (1).

(A) The association shall make every attempt to ensure that section (1) is complied with.

(B) The judges, the executive director or the director of security may demand the association provide the facilities or equipment required by section (1) and may delay or cancel all or any part of a meeting until section (1) is complied with.

(3) In the event a Class A licensee fails without good cause to provide the facilities or equipment required by section (1), the commission may discipline the Class A licensee, without regard to the fact that an association has cured any deficiency under section (2) of this rule.

(4) If any association cures any deficiency of section (1) of this rule, it shall have a claim against the Class A licensee for actual costs of such cure, if the Class A licensee did not have just cause for not supplying required facilities or equipment.
